

**Georgia Department of Natural Resources (DNR)
Law Enforcement Internships Available**

The Georgia Department of Natural Resources (DNR) Internship Program is a valuable learning experience for college and university students in a criminal justice or related course of study. The length of the internship is one quarter or semester as determined by the intern's college or university, with the concurrence of appropriate DNR supervisory personnel. The program is administered by the Georgia Department of Natural Resources, Wildlife Resources Division, Law Enforcement Section.

Eligibility

The program is open to full-time students in a criminal justice or related career who are currently pursuing a degree at an accredited college or university. Applicants must meet the following criteria to be considered:

1. At least 18 years of age.
2. In good academic standing with their college or university.
3. Must be enrolled in school during the semester the student plans to intern.
4. Be recommended by the internship coordinator from their college or university to participate in the program.

Internship applications must be received by the Region Office of interest prior to the semester in which the internship is to be served. Please contact the appropriate Region Office for application forms, guidelines, restrictions, disqualification standards and other relevant information.
